Contractor. By this Agreement, the Contractor specifically waives and /or releases to the State any cognizable property right of the Contractor to copyright, license, patent or otherwise use such information, data, findings, recommendations, proposals, etc.

12. Confidentiality of State Information. Contractor, for itself and on behalf of its agents and employees, understands and agrees that data, materials and information disclosed to Contractor, its agents and employees, may contain confidential, protected or privileged information. Therefore, Contractor covenants and assures that data, material and information gathered by, based upon or disclosed to Contractor, its employees and agents, pursuant to services provided under this Agreement, shall not be disclosed to others or discussed with third parties without the prior written consent of the State.

13. Conflict of Interest

A. As used in this section:

“Immediate Family” means the spouse and unemancipated children of an individual.

“Interested Party” means:

1. The individual executing this Agreement;
2. An individual who has an interest of three percent (3%) or more of Contractor, if Contractor is not an individual; or
3. Any member of the immediate family of an individual specified under subdivision 1 or 2.

“Department” means the Indiana Department of Administration.

“Commission” means the State Ethics Commission.

B. The Department may cancel this Agreement without recourse by Contractor if any interested party is an employee of the State of Indiana.

C. The Department will not exercise its right of cancellation under section B, above, if Contractor gives the Department an opinion by the Commission indicating that the existence of this Agreement and the employment by the State of Indiana of the interested party does not violate any statute or code relating to ethical conduct of state employees. The Department may take action, including cancellation of this contract, consistent with an opinion of the Commission obtained under this section.

D. Contractor has an affirmative obligation under this Agreement to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this section extends only to those facts that Contractor knows or reasonably could know.

14. Debarment and Suspension. Contractor certifies, by entering into this Agreement, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Agreement by any federal agency or department, agency or political subdivision of the State of Indiana. The term “principal” for purposes of this Agreement is defined as an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor.

15. Default by State. If the State, sixty (60) days after written notice, fails to cure any breach of this Agreement, then Contractor may cancel and terminate this Agreement and collect all monies due up to and including the date of termination.

16. Disputes. Should any disputes arise with respect to this contract, Contractor and the State agree to act immediately to resolve any such disputes. Time is of the essence in the resolution of disputes.

Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Agreement that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities as regards all non-disputed work, without delay, any additional costs incurred by the State or Contractor as a result of such failure to proceed shall be borne by Contractor, and Contractor shall make no claim against the State for such costs. If the State and Contractor cannot resolve a dispute within ten (10) working days following notification in writing by either party of the existence of said dispute then the following procedure shall apply:

The parties agree to resolve such matters through submission of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to Contractor and the State within ten (10) working days after presentation of such dispute for action. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute shall be submitted to an Indiana court of competent jurisdiction.

The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to Contractor of one or more invoices not in dispute in accordance with the terms of this Agreement will not be cause for Contractor to terminate this contract, and Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.

17. Drug-Free Workplace. Contractor hereby covenants and agrees to make a good faith effort to provide and maintain during the term of this Agreement a drug-free workplace. Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor has been convicted of a criminal drug violation occurring in Contractor's workplace.

False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Agreement and/or debarment of contracting opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total consideration amount set forth in this Agreement is in excess of \$25,000.00, Contractor hereby further agrees that this Agreement is expressly subject to the terms, conditions, and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all contracts with the State of

Indiana in excess of \$25,000.00. No award of a contract shall be made, and no contract, purchase order or agreement, the total amount of which exceeds \$25,000.00, shall be valid, unless and until this certification has been fully executed by Contractor and made a part of the contract or contract as part of the contract documents.

Contractor certifies and agrees that it will provide a drug-free workplace by:

- D. Notifying in writing the State within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction.
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency; and
- F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.
